- Have at your command all the songs of all the plays of Shakespeare?

When the Victor is not in use, the horn can be placed under the instrument safe and secure from danger, and the cabinet can be locked to protect it from dust and promiscuous use by irresponsible people.

- Have concrete illustrations of every period and development in the history of music from primitive peoples until the present time?
- Take to your pupils, examples of the singing of real American Indians, with their tom-toms and characteristic "whoops" and "yells"?
- Study and enjoy the old Negro Spirituals, sung devotionally with primitive natural harmony?
- Find listed in graded order, selections of simple melodies from the old masters, that little children should hear, know and use, strong in rhythm, played by artists on violin, flute, harp, etc.?
- Furnish accompaniment for all the activities of the school day, the morning march, kindergarten game, folk dance, penmanship, physical culture and all exercises and drills for fete and pageant?
- Have exact imitations of all the songs of all our native birds to accompany your Audubon or Government Bird Charts?

Is there a single avenue of outlay that will bring so valuable, varied, delightful and satisfactory return?
